

Alternative Dispute Resolution Committee – Law of Contract for Resolving Construction Disputes

One-day Seminar jointly organised with Hong Kong International Arbitration Centre (HKIAC)

Date, time & venue

30 July 2010 (Fri), 9:00am to 5:30pm; HKIE

Programme highlights

Engineers in Hong Kong are likely be involved in contractual issues and disputes, and it would be helpful to have knowledge of contract law in order to get the disputes resolved. Our speakers are experienced engineers and construction professionals who will enlighten us on the following topics:

- Fundamentals of Contract Law,
- Payments in Construction Contracts,
- Extension of Time and Liquidated Damages,
- Variations and Changes,
- Termination of Construction Contracts and
- Dispute Resolution

Speakers

- Ir Teresa Y W Cheng, S.C.
- Ir Gary K L Soo
