Seminar on “Direct Professional Access to Hong Kong Barristers for HKIE Members”

Jointly organised by Civil Division & ADR Committee and Hong Kong Legal Training Institute

Thursday, 30 July 2015

6:00 pm for 6:30 pm to 8:00 pm at the HKIE Headquarters

Programme Highlights

With the legal and dispute resolution landscape kept evolving in the Hong Kong construction industry, engineers from time to time would need access to legal advice and other services from barristers, particularly in performing dispute resolution and contract administration roles and functions in nowadays contracts.

The HKIE and the Bar Council of the Hong Kong Bar Association have agreed that, with effect from 15 June 2015, Corporate Members of the HKIE may instruct Hong Kong barristers directly for advice and appearance in tribunal proceedings in accordance with Annex 19I of the Code of Conduct of the Hong Kong Bar Association. Please visit <http://www.hkba.org/the-bar/code-of-conduct/code-of-conduct.html> for further details regarding the Code of Conduct of the Bar Council.

This seminar discusses how, when and what this direct professional access arrangement may lead to in operation. It further provides practical tips for working with barristers under the arrangement.
