

Alternative Dispute Resolution Committee

One-day Seminar – Resolving and Avoiding Construction Disputes

Date, time & venue

3 May 2011 (Tue), 9:00am to 5:30pm; HKIE

Programme highlights

Engineers in Hong Kong are likely to be involved in contractual issues and disputes, and it would be helpful to have knowledge in resolving and avoiding construction disputes. The previous seminar held on 30 July 2010 was well received with an overwhelming response of over 120 participants attending, and hence the ADR Committee wishes to conduct a more in-depth seminar on the following topics:

- Extension of Time and Liquidated Damages
- Prolongation Costs and Disruption Claims
- Supplemental Agreements in Dispute Avoidance
- Variations and Changes

Speakers

- Ir James BLAKE
- Ir David Y K LEUNG
- Ir Gary K L SOO
