Venue : InnoCell of HKSTP

Time : 10:00am – 12:00 noon

Technical Visit to InnoCell of Hong Kong Science and Technology Park (HKSTP)

Programme Highlights

The InnoCell of Hong Kong Science and Technology Park is the pilot project of multi-storey MiC building in Hong Kong. Its way of construction is different from the conventional one. It allowed many building elements prefabricated in a factory while other elements were built at the building site simultaneously. InnoCell consists of 418 nos. of modular units of which four types of rooms – namely Standard Studio, Sleep Box, Co-living and Family Units to provide smart living and co-creation community for IT talents.

Speakers (if applicable)

Ir. Jimmy Li from Arup

Ms. Michele Lui from Hip Hing

Mr. Jerry Tse from ATAL

Language:

Cantonese with English Terminology

CPD Certificate:

A CPD certificate will be issued after the completion of technical visit.
