

Local Technical Visit to Construction Exhibition Hub

Date: 27 Sept 2021
Time: 1400 - 1700
Location: Construction Exhibition Hub
Gathering Place: To be advised

Programme Highlights

The Construction Industry Council (CIC) which was formed on 1 February 2007, aims to drive for unity and excellence of the construction industry of Hong Kong, are to forge consensus on long-term strategic issues, convey the industry's needs and aspirations to Government. Four (4) exhibition centres have been setup by CIC to demonstrates and showcases local and oversea innovative solutions and technologies on construction, to drive the industry transformation and strengthen the sustainability of the construction industry in Hong Kong. The visiting program includes

1. CIC BIM Space: Showcasing of BIM technologies and applications
2. Modular Integrated Construction (MiC) Resources Centre: Innovative construction method. By adopting the concept of "factory assembly followed by on-site installation"
3. CITAC as a knowledge hub by collecting, showcasing and promulgating the latest local and overseas construction technologies
4. CIC–Zero Carbon Park : the first zero carbon building in Hong Kong. It acts as a test bed for state-of-the-art eco-building design and technologies

Registration

Free

The visit is free of charge to HKIE members. The number of participants will be limited to 20 based on a first-come-first-served principle, however, priority will be given to the members of the Electrical Division. If you wish to join this technical visit, please register online at https://docs.google.com/forms/d/e/1FAIpQLScdkVA3xoSmexohunsMv2e-BIX_H7Pmj-a9ZVqchIFKd113Q/viewform?usp=sf_link on 17 Sept 2021. Separate email notification about the details of visit will be sent to successful applicants after the enrolment deadline. For enquiries, please contact Mr. Keith Wong via Email: keithm.wong@siemens.com. Neither the Institution nor any other parties facilitating this visit accepts any liability whatsoever in connection with the visit.
