

# Annual Report

## Session 2025-26

### Chairman's Message

2025-26 Session is 50<sup>th</sup> Anniversary of the Hong Kong Institution of Engineers (HKIE) and 35<sup>th</sup> Anniversary of Associate Members Committee (AMC). AMC continues to strive in promoting the values of the associate membership, delivering Continuing Professional Development (CPD) activities, conducting the practical training courses and organising social events for our associate members and potential members.

With the aim of “One Cert. Multi Use” (一證多用), the CPD certificates from AMC can help our members to save the study time in CPD learning. For instance, AMC is Water Supplies Department's accredited CPD course provider for Licensed plumbers (LP) and can issued CPD credits to our members with LP status. AMC has also participated in the CPD Scheme of the Property Management Services Authority and provides CPD hours to our members holding Property Management Practitioner (PMP) Licence.

AMC has liaised and met the officials of Water Supplies Department, Electrical & Mechanical Services Department, Labour and Welfare Bureau, the Occupational Safety and Health Council (OSHC) in recognition of our associate membership as well as in seeking opportunity for collaboration.

AMC provides a platform for our associate members to participate in external bodies such as Construction Industry Council (CIC). We have the representative in its Hong Kong Institute of Construction's Trade Advisory Panel.

AMC will continue to develop our members in enhancing the technical competence, public awareness, social participation and community involvement through the AMC platform.

Patrick Lee  
Chairman  
Associate Members Committee

### Continuing Professional Development Activities and Social Events

Date	Activities
1 July 2025	Technical Visit to Iwaki Pump Factory in Jiangmen
13 August 2025	Seminar - A Prospective on Intelligent City with case for LAE and AI-IoT*
23 August 2025	Docent Walk along Engineering in Hong Kong Series - Cross Bay Link Bridge in Tseung Kwan O
20 September 2025	Technical Visit to ATAL MiMEP Design and Manufacturing Centre in Zhuhai
27 September 2025	Technical Visit to Ready Switchboard Factory in Dongguan
29 September 2025	Applications of Spatial Awareness Technology*
1 November 2025	Technical Visit to Sun Ying Prefab Products Factory in Dongguan
18-26 Nov. 2025	Competency Certificate Course on Inspection and Quality Supervision of Polyethylene Pipe Installation
10 January 2026	Technical Visit to Luen Ming Air Conditioning Equipment Factory & China Bright MiMEP Factory in Shenzhen
31 January 2026	Technical Visit to Keystone Cable Factory in Dongguan
25 February 2026	Seminar – Development of Common Spatial Data Infrastructure in Smart City
7 March 2026	Technical Visit to Trio Electronics Factory in Dongguan
18 March 2026	Seminar - From Audit to Action, Solving MVAC problems by AI solutions
23 March 2026	AM Gathering and AMC Dinner 2025-26
28 March 2026	Training Course on Installation, Maintenance & Work Safety of R32 Refrigerant Air Conditioning Products
3 April 2026	Technical Visit to McQuay Air Conditioning Product Factory in Shenzhen
23 April 2026	Seminar -How to apply for Associate Members in Materials Engineering Discipline #
23 April 2026 (re-scheduled to 9 May 2026)	Technical Visit to Liquid Oxygen Energy Storage Rock Blasting Firm in Yunfu
23 May 2026	Technical Visit to Guangzhou Pearl River New Town District Cooling Plant in Guangzhou
