

Voluntary Continuing Professional Development Scheme for Licensed Plumbers

Seminar on Smart Irrigation System and Storm Water Recycling Management

Organiser: Associate Members Committee (AMC) (WSD Accredited CPD Provider)

Date: 18 December 2023 (Monday)

Time: 6:00 pm - 8:00 pm

Mode: Online via Zoom

Venue: ATAL Room, 9/F, Island Beverley, No. 1 Great George Street, Causeway Bay, Hong Kong

Programme Highlights:

Water is one of the scarce resources to mankind. An effective strategy to alleviate water shortage, reduce carbon emissions and improve climate conditions is crucial to our future development. The smart use of water resources for landscape and plantation is therefore essential. This seminar will brief the WSD regulatory requirements on irrigation installation, introduce the automatic irrigation system and its latest development that can improve the sustainability in Hong Kong. The speaker will also present a storm water recycling storage system which received BEAM Plus innovation credit. Finally, some cases will be discussed on how to obtain the credit of BEAM Plus and LEED certification from the automatic irrigation projects.
