

## Seminar on Water Valve Technology - From General Usage to Special Application

**Organiser:** Associate Members Committee (AMC) (WSD Accredited CPD Provider)

**Date:** 4 May 2024 (Saturday)

**Time:** 9:00 am - 12:00 noon

**Mode:** Online via Zoom + physical attendance

**Venue:** ATAL Room, HKIE, 9/F, Island Beverley, No. 1 Great George Street, Causeway Bay, HK.

### Programme Highlights:

This seminar will cover a variety of water valves used from buildings to reservoirs in Hong Kong, including gate valves, butterfly valves, pressure reducing valves, air valves, and discharge valves, etc. Its aim is to provide an overall understanding on working principles of different valves, their standards and specifications. The programme will also highlight the importance of adhering to WSD specification in valve selection, installation, and maintenance. The speaker will share the valuable experience of cases and examples. It is hoped that participants can develop an ability to make informed decisions by applying the guidelines presented in this seminar.

### Guest Speaker:

Mr. Wilson Fung

Mr Fung graduated from Nottingham Trent University and obtained his bachelor degree of engineering. He is the Director of Well Group (HK) Ltd. which is one of the suppliers of the WSD. Mr Fung possesses abundant working knowledge in water valves and is also a specialist in the automatic meter reading (AMR) system and the polyethylene pipes for water supply. His company has completed several projects related to both AMR and using HDPE pipework applications.
