

Press Release

Newly-Installed HKIE President Ir Eric Ma Siu-cheung “Grow the Nexus, Link the Links”

(Hong Kong, 26 June 2024) The Hong Kong Institution of Engineers (“HKIE”) is pleased to announce that Ir Eric Ma Siu-cheung has been elected as the 50th President of the HKIE at the 49th Annual General Meeting held on 25 June 2024. Concomitantly, Ir Dr Barry Lee Chi-hong becomes the Immediate Past President of the Institution.

President Ir Ma has set the theme “Grow the Nexus, Link the Links” (一脈相承 縱深相連) for Session 2024/2025, emphasising the role of the Hong Kong engineering community as a “super connector” in fostering stronger bonding with mainland and overseas engineering professional bodies. The theme also signifies both breadth and depth in engagement. “As we celebrate the 50th anniversary of the HKIE’s incorporation, it is not only a joyous occasion but also a pivotal moment for reflecting on the past and building for the future,” said Ir Ma. President Ir Ma further expressed his commitment to working closely with the Institution’s management to drive strategic transformation, enhance governance and improve efficiency of the Institution, and actively respond to members’ expectations. Additionally, through various initiatives outlined in his action plan, Ir Ma aims to support the development of the engineering profession and society, creating a brighter future together with our stakeholders.

Ir Ma emphasised, “As a professional body of the Hong Kong engineering industry, the HKIE constantly strives to keep pace with the times, meeting the demands placed on engineers by the community. In the coming year, we will review governance efficiency of the Institution, enhance transparency and foster greater member engagement, promoting a sense of unity among our members. We will also continue focusing on nurturing and retaining the next generation of engineering talent, driving sustainable growth of society.”

With a wealth of experience spanning over 30 years in engineering and corporate governance, Ir Ma remains passionate about serving the industry. Throughout his tenure, he aims to share his expertise, enhancing stakeholders’ comprehension of the engineering competencies and guiding the HKIE and its members to consistently uphold professionalism while delivering top-notch services.

At the AGM, it was also announced that Ir Alice Chow Kin-tak and Ir Prof Frank Chan-fan were re-elected as Vice Presidents. Ir Leung Kwok-yiu was elected Vice President for this Session on the day of the AGM. The five new Elected Ordinary Members of the Council are Ir Cheng Chi-lung, Ir Dr Johnny Cheuk Chi-yin, Ir Benedict Cheung Lai-shun, Ir Edmond Fong Wai-man, and Ir Tony Za Wai-gin.

Biography of Ir Eric Ma Siu-cheung

As a HKIE Fellow, Ir MA was elected as Vice President of the HKIE in 2021 and was further elected as Senior Vice President in 2023. Apart from serving as a member of the Executive and the Council, he has also played a pivotal role in various Boards, Committees and Task Forces of the HKIE, making significant contributions to the development of the Institution and the advancement of the engineering industry in Hong Kong.

Ir MA holds a Bachelor of Science degree in Engineering (Civil) from The University of Hong Kong and a Master of Engineering degree in Transportation Planning from Monash University, Australia. Ir MA is a Registered Professional Engineer in Hong Kong and a Chartered Engineer in the United Kingdom. He is also a Fellow of the Institution of Civil Engineers, United Kingdom, and the Institution of Structural Engineers, United Kingdom.

Ir MA is currently an Executive Director and Chief Operating Officer of New World Development Company Limited. Before that, he was an Executive Director and CEO of NWS Holdings Limited, the Acting CEO of Hong Kong-Shenzhen Innovation and Technology Park Limited and Principal Consultant of the Hong Kong Science & Technology Parks Corporation. Ir MA was previously the Secretary for Development of the HKSAR Government, overseeing policy areas ranging from urban planning to heritage conservation and addressing the supply-demand imbalance in land and housing; also engaging in the policy making of sustaining the growth of Hong Kong as a modern city through effective land use planning, urban renewal, greening and heritage conservation. Prior to joining the HKSAR Government, he was Executive Vice President, Civil & Infrastructure, Asia Pacific, of AECOM Asia Company Limited.

Ir MA joined China Resources (Holdings) Co., Ltd. as a non-executive director in 2022. He holds various positions in the Hong Kong General Chamber of Commerce including Member of General Committee, Chairman of Real Estate & Infrastructure Committee, and Member of Audit Committee. He is also a committee member of the Chinese People's Political Consultative Conference of Shenzhen. Ir MA is a member of the Council of The Chinese University of Hong Kong and the Court of the City University of Hong Kong. Apart from being an Adjunct Professor at The University of Hong Kong and The Hong Kong Polytechnic University, he is also an Honorary Professor at Hong Kong Metropolitan University.

In recognition of his significant contribution to Hong Kong and dedicated public and community service, Ir MA was appointed as Justice of the Peace in 2014 and was conferred the Gold Bauhinia Star by the HKSAR Government in 2017.
